The City of Rochester has begun the planning and design for the reconstruction of Second Street SW reconstruction between 11<sup>th</sup> and 16<sup>th</sup> Avenue SW and associated transit facilities. Construction of these improvements is tentatively planned to begin in 2017, but the project schedule is subject to change. Stantec Consulting Services has been hired by the City as the project design team and they have prepared preliminary design concepts for the overall roadway layout, streetscape, St. Mary's walkway/plaza, transit, and pedestrian improvements. The city is hosting a public open house on Thursday October 22<sup>nd</sup> to provide information about the project and to share the preliminary design concepts for your feedback.

**Date:** Thursday, October 22<sup>nd</sup>, 2015

**Time:** 5 pm – 7 pm

**Location:**

United Way of Olmsted County

903 West Center Street #100, Rochester MN 55902 (Conference Rooms A & B).

Additional opportunities for public involvement and participation activities will be planned in 2016 to engage and inform the public about the Second Street planning and design process as it evolves.
